9. NATIONS RANKING

The nations ranking will be established according to this system:

1. Points/place principle (see table H-A annex H Sport Reg.)
2. Addition of points/place obtained for the first scores of each nation ranked in the teams and single ranks in the following categories (males and females):
 - First three scores ranked for each nation in senior categories (in: male teams, male singles, female teams, female singles)
 - First two scores ranked for each nation in junior categories (in male singles, female singles)
 - First two scores ranked for each nation in cadet categories (in male singles, female singles)
3. Ex-aequo (nations final rank) are admitted
